

Mindwize BV

1) What does your company do?

Mindwize is an international, creatively driven and data-inspired international fundraising agency with more than 30 years of experience developing campaigns with impact for non-profit and 'social enterprise' organisations. To make the world a little bit better.

3) Which NPO special question you are working that time?

Mindwize helps NPO's to build effective fundraising programs. They offer strategic, creative, digital, direct mail, telephone, door-to-door, press and database fundraising services.

2) What is your approach for NPOs, foundations, etc.?

The aim is to build long-term donor relationships through a multi-channel approach, that delivers an excellent ROI.

4) Who is your contact person for foundations?

Jeanette Eesmann-Foster

CEO

E-Mail: jeanette.eesmann@mindwize.nl

Phone: +31 (23) 56 77 000

5) Where is your spot of activities?

Mindwize works globally in Europe, especially in the Netherlands, Belgium, Sweden and Germany.

6) Where could foundations and NPOs find the more information about Mindwize?

www.mindwize.org gives an overview of the global market portfolio, including the „latest news“ with research brochures, blog posts and a newsletter option.

The website is available in English, German, Swedish and Dutch with correspondent contact options, incl. Belgium.
